FOREWORD

This Telephone Directory is presented to you with the hope that you will be able to make through it, ready contacts for business and pleasure, and that these will enable you to have a very satisfactory year at the University.

As our University is at present overcrowded by returning veterans there will necessarily be many who have not yet secured permanent residence and whose phone numbers will be changed. In this connection you are asked to note at the end of the book a list of corrections and a few additions to the directory. These arrived too late to be included in the main group. Please note also the Air Base Phone number, 74737, which was included after part of the directory had gone to press.

We would like to thank Bill Falk, Chuc Yakulic, Adam Waldie, Henry Toupin, George Clark, Bob Grainger, Bob Hargraves, Marilyn Norris, Norman Dawson, Dave Sinclair, Anne Heseltine, Elizabeth Manning, Cecilia Cockeram, Phyllis Fitch, Marion Davenport, Mary Noye, Berneice Moor, Elfriede Milbradt, Amelia Randle, John Harvie, E. W. Shector, Ben Chetner, Joe Streeter, and Vernon Johnson for their generous donation of time and effort in order to ensure the directory's early publication; also Mr. Taylor, Miss Murray and the staff of the Registrar's Office for their kind co-operation.

We trust you will take a kindly view of mistakes, although we hope there are very few. Suggestions for the improvement of the Telephone Directory for future years are very welcome.

WM. R. N. LINDSAY.

A WORD TO THE WISE

This book is your Telephone Book and Guide while at Varsity. Carry it with you, and remember that it serves not only as a guide and friend to you in contacting your clubs and fellow students, but as a guide to reputable city firms who have, for years, given Varsity students better service and shown their faith in student enterprises by making these publications possible.

For your convenience these firms are listed below, so that you need go no further than your Telephone Directory for overtown needs.
